Welcoming Message:

Dear Colleagues and Guests,

We're excited to welcome everyone to the 7th ArabSpine Annual Meeting & 1st National Guard Cadaveric Course, that will be taking place on November 9th and 10th, 2023, At King Abdulaziz National Guard Hospital and Hayatt Regency Olaya in Riyadh.

This year, we will emphasis our message of having the 1st day as the workshop’s day, and that will be held on the hospital grounds. We will be diving into the Cranio-cervical Junction – a big meeting point in the spine. We've got a Cadaveric Dissection Course lined up, with lots of strategies and conversations to make it a deep learning experience. It will also include live surgery and having experts discuss it.

We're excited to have international speakers and respected guests from around the region and the world, as well as our local spine experts, where they will discuss the latest tech and updates related to spine health and tackle the most important topics in spinal care.

Thanks for everyone who is taking the time and sharing their knowledge at this event.
